

# Share information and data – quickly and easily

## **BT Business Email Plus Organise and Share is a fully managed, hosted e-mail service**

Using Microsoft technology, it offers you the benefits of a large business solution at a small business price, providing superb support for information sharing and team projects. It also helps protect your business from the loss of critical data, as our secure e-mail servers are backed up daily and offer enhanced data recovery. So, even if you delete a vital e-mail, you can still recover it!

## Share information and data – quickly and easily

### Benefits for your business

- **Helps simplify administration and boost efficiency** – leaving employees free to focus on more strategic projects.
- **Keep in touch** – easier e-mail contact with colleagues, suppliers and customers (no need for branch networks or Virtual Private Networks).
- **Information to hand** – don't lose your customer contacts with this secure alternative to storing details on mobile phones and other devices.
- **Helps enhance productivity** – through secure sharing of documents and presentations; streamlined communications; more effective team working; and easier scheduling through shared calendars.
- **Anywhere access** – access your e-mail, files, contacts and calendars whenever you're online, from any computer, at home, work or on the move. Synchronise your PDA, Blackberry and other mobile devices so you can still work when you can't connect.<sup>1</sup>
- **Safety and security** – the service is hosted remotely on secure, reliable BT servers, and includes multi-layer anti-virus protection and spam filtering.
- **Helps control costs** – regular payments, with no server or network installation costs.
- **Peace of mind** – if your PC is lost, stolen or damaged, you'll still have access to your critical e-mail and contact data.

And all of this is now available from only **£7.50 a month per mailbox for Business Email Plus Organise and Share<sup>2</sup> or Business Email Plus Organise<sup>2</sup> for only £5 per month.**

### Features

- Collaboration using the enhanced features of the Microsoft Outlook® 2003 client, with sharing permission levels for folders and documents.
