**It's  
for  
you!**

**Wouldn't it be nice if  
contacting your IT staff and  
supervisors was this easy?**

**It can be – with KIRK**

# You need to be pretty mobile to run a call centre

While your staff are happily sitting at their screens talking to customers, your supervisors and IT people are rushing round the building, monitoring, coaching, assisting and helping with problems. Contacting them can be a nightmare...

**How much more efficient could they be  
with a wireless handset or headset from KIRK?**

KIRK is the world leader in multi-cell wireless with over 20% of the UK market. KIRK solutions are a disruption-free addition to any telephone system including the latest VoIP systems and are scalable from 1-1500 handsets. With KIRK, people can be contacted anywhere in the building and text messages can be left if they are busy.

**Improve the performance of your call centre today with KIRK**
